**About Communities Foundation of Oklahoma:**

Communities Foundation of Oklahoma (CFO) is a statewide nonprofit committed to supporting Oklahoma communities by meeting the needs of charitable organizations and donors. Supporting the philanthropic needs of Oklahoma’s communities was the motivation for Tom McCasland, Jr. to create CFO in 1992. In 1999, Oklahoma banker Gene Rainbolt joined McCasland in expanding CFO’s original concept to provide philanthropic and investment services to communities across Oklahoma. The members of CFO’s governing board of trustees and advisory board of governors hold decades of business, government, nonprofit, and volunteer experience. Regardless of asset size or mission, CFO helps any 501(c)(3) public charity in Oklahoma build an endowment to support the nonprofit organization for generations to come. Endowments provide annual distributions paid to the public charity to support programming, assist with general operations costs, pay for building maintenance, etc. For more information, visit:
